

DR. ASHWINKUMAR KHANDGE

Dr. Ashwinkumar V. Khandge is an Orthopaedic Spine Surgeon and internationally recognized expert in endoscopic spine surgery from Pune, India. He is a Consultant Spine Surgeon at Jupiter Hospital, Pune, and Director of AK Spine & Ortho Clinic.

His clinical practice focuses on minimally invasive and endoscopic spine surgery, with particular expertise in Unilateral Biportal Endoscopy (UBE). He is actively involved in the development of advanced endoscopic spine surgery techniques and has trained surgeons through international cadaveric workshops, live surgical demonstrations, and instructional courses across Europe and Asia.

Dr. Khandge serves as an International Faculty member for AO Spine MISS Spectrum and is actively involved in AO Spine educational initiatives, including the development of UBE curricula. He is also a Key Opinion Leader for several international medical technology companies and contributes to innovation in endoscopic spine surgery through research and device development.

He has authored numerous peer-reviewed scientific publications and textbook chapters in the field of spine surgery, with his work focusing on endoscopic decompression techniques, surgical anatomy, and minimally invasive spinal procedures. He is a frequent invited speaker at international spine congresses and is committed to advancing education, research, and innovation in endoscopic spine surgery worldwide.
